Enter your Honeywell user ID

Enter your Honeywell ID Password

The screenshot shows a 'Sign In' form with a 'Help' link in the top right. It contains two input fields: 'Honeywell ID:' and 'Password:'. Below the password field is a 'Forgot Password?' link. A 'SIGN IN' button is centered below these fields. At the bottom of the form, there is a checkbox labeled 'Remember my ID on this computer'. Below the checkbox are three links: 'Forgot Honeywell ID? Honeywell ID', 'Don't have Honeywell ID? Register', and 'Honeywell ID Management'. Three callout boxes with arrows point to the 'Honeywell ID' field, the 'Password' field, and the 'Register' link.

Register for a Honeywell ID

Warning: This system may only be accessed by authorized persons. Access to and use of this Honeywell computer system without the permissions of or other than as permitted by Honeywell is strictly prohibited by Honeywell rules and by applicable local and national laws. Honeywell data is subject to export restrictions. If there are questions, please contact a Honeywell export compliance officer. The use of this system is routinely monitored and recorded. If, as a result of this monitoring, possible evidence of criminal activity or other improper conduct is discovered (including without limitation, downloading, copying or sending classified information to competitors or other unauthorized recipients), system personnel may provide evidence of such monitoring to law enforcement officials or take other appropriate actions. This may lead to company initiated disciplinary proceeding, up to and including termination of employment.

External Honeywell (LDAP) ID Registration

From the eCATS login page if the user selects the Register option they will be taken here to the Honeywell ID Registration page. This is not part of eCATS it is a separate tool for creating external Honeywell IDs

Please review the following terms and indicate your agreement below.

PRIVACY STATEMENT

Introduction. The steps we take to protect your personal information when you visit our websites. It describes the personal information that we collect, the purposes for which we use such information, and your choices regarding our use of it. The steps we take to protect your personal information and how you can review and correct your personal information are also covered here. By accessing our websites, you are consenting to the information

By clicking "I Agree" you agree and consent to Honeywell Terms and Conditions and Privacy Policy.

After the Honeywell ID is created the user can then log into eCATS

What is a Honeywell ID ?

Honeywell ID is a single user name and password account that can be used to access several Honeywell Web sites.

If you are a Honeywell employee, your network log in (EID and password) is your Honeywell ID and password.

How to choose a Honeywell ID ?

Your Honeywell ID:

Should be minimum 6 characters and maximum 64 characters long.

Cannot include the following symbols : @, &, ', <, >, !, ", /, #, \$, %, +, ?, (,), *, [,] , \ , { , }

Cannot contain consecutive underscores ?__?, spaces or tabs.

Elements that imply an email address or URL, such as ".com", ".net", ".org", ".edu" or any variation (e.g.: "_com" or "-com") cannot be used.

Cannot start with underscore '_', dash '-' or period '.'.

Cannot contain the words "honeywell", "honey", "allied".

Cannot contain single letter followed by numbers.

Password Rules

Your Password must satisfy the following rules.:

Your password must be between 8-56 characters long.

The password should contain characters from at least three of the following five categories:

- English uppercase characters (A ? Z)

- English lowercase characters (a ? z)

- Base 10 digits (0 ? 9)

- Non-alphanumeric (for example: !, \$, #, or %)

- Unicode characters

The password should not contain three or more characters from the user's account name.

Questions Rules

Your Questions must satisfy the following rules.:

Your question must be between 10-50 characters long.

The 3 questions can not be duplicated.

The question should contain characters from at least three of the following categories::

- English uppercase characters (A ? Z)

- English lowercase characters (a ? z)

- Base 10 digits (0 ? 9)

- Character '?', ',', '-' or ''

Answers Rules

Your Answers must satisfy the following rules.:

Your answer must be between 3-20 characters long. The answer should not contain any word in the question.

The 3 answers can not be duplicated.

The answer should contain characters from at least three of the following categories::

- English uppercase characters (A ? Z)

- English lowercase characters (a ? z)

- Base 10 digits (0 ? 9)

- Character ''

Answers are not case sensitive.

Why should I create Honeywell ID?

Creating a Honeywell ID will allow you to access Honeywell sites with a common username. You can choose your username, password and security questions...all leveraged to your liking, thus making it easy to remember your account information while simplifying your Honeywell application experience online.

External Registration

eCATS – Registration

Registration is only for the use of suppliers and customers of Honeywell. Honeywell employees should request access through their local eCATS coordinator. Send an E-mail to ecats@honeywell.com if you have any questions

Please select user type for registration

[Click Here to Register Supplier](#) [Click Here to Register Customer](#)

[Back](#)

When External users choose the register option the process is the same as it was. They will be taken to this screen to register as a Supplier or a Customer

External Supplier Registration

Please fill up the form (Supplier Details)

Please click [here](#) for Honeywell's Privacy Policy
